INTERNATIONAL LEADERSHIP AWARD PRESENTED TO JORGE CANAVATI  
AWARD OF IRMA REYES CITIZEN DIPLOMACY SCHOLARSHIP

October 28, 2020

6PM – 7PM

Virtual Event

SACIV is a non-profit, 501(c)(3), founded in 1989, that arranges professional programming and home hospitality for emerging international leaders who have been selected by the U.S. State Department's International Visitor Leadership Program (IVLP) to come to the United States. Hundreds of these international visitors come to San Antonio each year, providing opportunities to the community for fostering economic development and cross-cultural understanding. In addition to meeting with area professionals in their fields and exploring the local culture of San Antonio, international visitors are invited into the homes of SACIV members or hosted for meals or special excursions, giving them invaluable first-hand experience with everyday Americans.

Dear friends,

On the evening of October 28, 2020, SACIV will host a “Annual Citizen Diplomacy Celebration” virtual event. The event will be free and open to the public and provide the local community with an opportunity to learn more about the importance of global citizenship on a local, national, and international level, as well as how our city benefits from engaging internationally.

We will announce our Keynote speakers soon but will include representatives of the US Department of State, Global Ties US, and other international leaders.

The event will also feature performances from local and international musicians and dancers and Alumni of the US Department of State’s International Visitor Leadership Program (IVLP), which is celebrating it’s 80th anniversary this year. The alumni will share how the programs through SACIV have positively impacted their work and life upon returning to their home countries, as well as their favorite memories from their visit to San Antonio in recent years.

We will also present our “International Leadership Award” to Jorge Canavati for his contribution promoting citizen diplomacy in our community and we will announce the first ever recipient of the newly created “Irma Reyes Citizen Diplomacy Scholarship.” This award was established to honor the work, support, and dedication of Ms. Irma Reyes to SACIV for over thirty years and aims to support the education of students pursuing an international related degree at a local university.

We hope we can count on you to support this event. The funds raised will be used to help fund next year’s scholarship award. There is no more effective way to contribute to our community’s global engagement than through SACIV. We look forward to your participation in helping us build international friendships, foster cultural understanding, and promote San Antonio as an international city!
